

Blair Lill

Chief Operating Officer

PROFESSIONAL BACKGROUND

As Chief Operating Officer at Singleton Reynolds, Blair is responsible for firm strategy and the overall day-to-day operations of the firm. He is a member of the Management Committee and provides strategic input to firm direction and opportunities. Blair also oversees the activities of Human Resources, IT, Marketing & Business Development, Knowledge Management, Litigation Support, and the Practice Groups.

Blair's business background, combined with his valuable law firm experience and leadership skills enables him to effectively execute the firm's goals and objectives. This includes Singleton Reynolds' position as a leading provider of high-value legal services, as well as a focus on performance in all areas of the firm.

Prior to joining the firm, Blair held the position of Director, Marketing & Business Development at a global law firm. He has 25 years of experience in the areas of management, business strategy, marketing, business development, and product management.

Outside of the workplace, Blair spends his time with family and friends. He is an avid boater and water-skier, and he is actively involved in triathlon and boxing.
