

David Leck

Associate

PROFESSIONAL BACKGROUND

David Leck is an Associate in the Construction and Infrastructure Practice Group at Singleton Urquhart Reynolds Vogel LLP.

David's practice focuses on all facets of the construction industry, acting for owners, general contractors, sureties, architects, engineers, design professionals and consultants. He advocates and advises on claims for delay, deficiencies, breach of contract and insurance matters, as well as construction lien and breach of trust actions. David also enjoys working with clients and subject matter experts on complex technical issues – always seeking to achieve a reasonable and cost-effective resolution.

Where disputes cannot be resolved, David has the experience and expertise to serve as a zealous advocate for his clients, having appeared regularly before the Ontario Superior Court of Justice, as well as various administrative boards and tribunals.
