

Jennifer Hansen CPA, CMA

Chief Financial Officer

PROFESSIONAL BACKGROUND

Jennifer Hansen, CPA, CMA is the Chief Financial Officer at Singleton Urquhart Reynolds Vogel LLP, where she leads all accounting and finance operations. Working closely with the Chief Operating Officer, Jennifer manages the firm's accounting systems, financial reporting and the preparation of annual financial statements, banking relationships, external auditing, financial controls and budgeting processes.

Jennifer has a proven ability to analyze operational processes and procedures, deliver insightful improvements and recommendations, and drive increased revenues and operational efficiencies through strategic financial management. She has over 20 years of experience including many years in the emergency restoration sector, bringing a unique perspective to her role as Chief Financial Officer.

Jennifer holds the Certified Management Accountant (CPA, CMA) designation, winning the bronze medal recognizing exceptional performance during her CMA studies. Jennifer is currently working towards obtaining her Certified Leadership Coach (CLC) certification.
